Type here to search  
It will start filtering  
as you type

This is what you've  
Imported into iTunes or  
bought at the iTunes Store

You can find and listen to  
Internet Radio stations here

Click here to go to iTunes Store  
A list of what you've purchased

This is where your iPod,  
iPhone or CDs show up

Eject your device

Virtual Lists to organize your  
music for playback.  
What you do here does  
NOT effect your Library. This is  
where you can have fun making  
different groupings.

A temporary listing based  
on any criteria

PLAYLIST: a list of music  
you customize

SMART PLAYLIST: a list of  
music based on criteria  
you designate

FOLDER: a group of  
playlists

You must click the BROWSE button  
to see these Artist and Album lists.  
It's the best way to see your Library
